

Back this year! Bigger than ever!

It's NOAA Kids Day!!

Wednesday, April 26, 2006

9 a.m. - noon

NWFSC Auditorium

For Ages: Kindergarten - 8th grade

Bring your daughters, sons, neighbors, and grandchildren to work. The Active Center Educators (ACE) group will host exciting activities:

- Experience what it is like to be a marine scientist
- Look through microscopes
- Perform genetics experiments with real fish DNA
- Identify local fish species
- Do cool art projects: fish printing, coloring and more!

We will need an accurate count of attendance to plan this event.

Please RSVP by April 1 by sending an email with names and ages of participants to: nwfsc.education@noaa.gov

For questions or if you'd like to volunteer to be part of the fun on the 26th, contact Deborah McArthur at 206-860-3430.

2006 Kids Day committee: Aimee Fullerton, Katie Barnas, Jennifer Hempelmann, Deborah McArthur, Casey Ralston
